Sir:

The applicants respectfully petition under 37 CFR 1.137 (b) that the application captioned above be revived as a pending application of one unintentionally abandoned.

(1) The required reply is attached. The Response required to the Office Action of April 25, 2002 is attached and now in the format required by the Examiner and the PTO at that time.

(2) A petition fee of \$650.00 is enclosed.

(3) The entire delay in filing the required reply to the Notice of Non-Compliant Amendment dated August 15, 2002 until the filing of this petition was unintentional. The applicant never received the Notice of Non-Compliant Amendment in the mail. When the applicant received a Notice of Abandonment in May of 2003, he filed a petition under the unavoidable delay. The petition was denied and this petition under 1.137(b) is now being filed.

The applicant respectfully requests that the petition be granted.

Respectfully submitted,

By 
Frederick Schaefer
